

Beehive Bank Product Sheet

Honey Pot High-Yield Savings

Product ID: bhvl-1213

Category: Consumer Savings

Sweeten Your Future

The **Honey Pot High-Yield Savings** account is designed for the modern saver who wants their money to work as hard as a worker bee. With tiered interest rates that reward consistent saving and no hidden fees, watching your nest egg grow has never been sweeter.

Key Features

- **Tiered APY Structure:** The more you save, the more you earn.
 - *Larva Tier (\$0 - \$4,999): 1.50% APY*
 - *Pupa Tier (\$5,000 - \$19,999): 3.25% APY*
 - *Queen Tier (\$20,000+): 4.50% APY*
- **Nectar Round-Ups:** Automatically round up debit card purchases from your Beehive Checking account and deposit the difference directly into your Honey Pot.
- **Hive Goals:** Create up to 10 custom savings "cells" for specific goals (e.g., "Vacation," "New Car," "Rainy Day") within a single account.
- **No Monthly Maintenance Fees:** Keep 100% of your interest.
